THE PROMPTS

100 total

1. Majestic snow-capped mountain range at sunrise with alpenglow on peaks, pine forest foreground, mist in valley, golden hour warm light, ultra wide angle shot from drone elevation, serene and awe-inspiring mood, highly detailed 8k --ar 16:9 --v 6.0 --style raw

2. Ancient towering redwood forest with moss-covered trunks, sunbeams piercing through dense canopy, fern-covered forest floor, dappled light filtering, eye-level perspective with shallow depth of field, tranquil and mysterious atmosphere --ar 3:2 --v 6.0

3. Vast rolling desert dunes with sharp ridges and wind patterns, lone acacia tree silhouette, dramatic orange sunset sky, long shadows, low angle ground shot with wide lens, peaceful solitude and endless scale --ar 21:9 --v 6.0

4. Pristine tropical beach with crystal turquoise water, white powder sand, leaning palm trees, gentle waves lapping shore, bright midday sun with clear blue sky, aerial drone top-down view, idyllic vacation paradise --ar 16:9 --v 6.0

5. Lush green rice terraces in mountains after rain, reflective water pools between steps, small wooden hut on edge, soft overcast diffused light, elevated side angle showing layers, calm harmonious agricultural beauty --ar 4:3 --v 6.0

6. Dramatic Icelandic waterfall with powerful cascade into black rock canyon, rainbow in mist, vibrant green moss, cloudy moody sky, long exposure from tripod low angle, epic powerful raw nature --ar 2:3 --v 6.0 --style raw

7. Dense autumn forest with maple trees in peak fall colors red orange yellow, carpet of fallen leaves on trail, morning fog between trunks, warm golden light filtering through, walking path leading perspective, cozy nostalgic mood --ar 3:2 --v 6.0

8 Snowy arctic tundra landscape with frozen lake and cracked ice patterns, distant aurora borealis green lights dancing, starry night sky, moonlight reflection, ultra wide astrophotography angle, magical silent wilderness --ar 16:9 --v 6.0

9 Misty mountain lake perfectly reflecting pine-covered peaks and cloudy sky, wooden dock extending into water, calm glass surface, soft dawn blue hour light, symmetrical eye-level composition, meditative stillness --ar 16:9 --v 6.0

10 Wildflower meadow in full bloom with purple lupine and yellow daisies, bumblebee close-up on flower, rolling hills background, bright summer sunlight, macro lens with bokeh background, joyful vibrant spring energy --ar 1:1 --v 6.0

11 Breathtaking cliffside coastline with crashing waves against sea stacks, rugged rocks covered in seabirds, storm clouds on horizon, golden sunset rim light on cliffs, high drone angle overlooking ocean, dramatic wild untamed beauty --ar 16:9 --v 6.0 --style raw

12 Enchanted bamboo forest with tall slender stalks forming natural tunnel, sunlight shafts creating light rays through mist, narrow winding dirt path, soft diffused morning light, central perspective depth, zen peaceful mystery --ar 9:16 --v 6.0

13 Volcanic landscape with flowing lava river glowing orange in darkness, black cooled lava rocks, smoke plumes rising, starry sky above, long exposure low angle from safe distance, intense dangerous primal power --ar 16:9 --v 6.0

14 Serene Japanese zen garden with perfectly raked white gravel, moss-covered stones arrangement, maple tree with red leaves, soft overcast light, top-down minimalist composition, calm balanced meditation mood --ar 1:1 --style raw

15 Vast lavender field in Provence stretching to horizon, rows leading to small stone farmhouse, purple blooms swaying, warm sunset golden hour glow, low angle eye-level with shallow depth, romantic dreamy fragrant atmosphere --ar 3:2 --v 6.0

16 Hidden tropical jungle waterfall with emerald pool below, vines and ferns hanging around, sunlight breaking through dense foliage, misty spray, wide angle from behind leaves framing view, secret paradise exploration --ar 4:5 --v 6.0

17 Arctic glacier cave interior with translucent blue ice walls, light refracting through ice crystals, icy floor reflections, cool blue ambient glow, wide interior perspective with human scale absence, otherworldly frozen cathedral --ar 16:9 --v 6.0

18 Golden wheat field at harvest time swaying in wind, old red barn in distance, big cumulus clouds, late afternoon warm light with long shadows, elevated wide shot across field, nostalgic heartland abundance --ar 16:9 --v 6.0

19 Misty swamp bayou with cypress trees draped in Spanish moss, still dark water reflecting trees, lone heron standing, soft foggy sunrise light filtering, eye-level kayak perspective, eerie quiet southern wilderness --ar 3:2 --v 6.0

20 Canyon narrows with smooth wave-like orange sandstone walls carved by water, light beam shining from slot above, sandy floor, dramatic chiaroscuro lighting, upward wide angle perspective, sculptural natural architecture --ar 2:3 --v 6.0 --style raw

21 Sunrise over alpine meadow filled with wildflowers, snow-capped peaks in background, wooden cabin with smoke, grazing deer herd, soft pastel morning light with mist, wide landscape from hillside, idyllic mountain life --ar 16:9 --v 6.0

22 Powerful ocean storm waves crashing onto black sand beach, dramatic lightning in distance, sea foam patterns, dark moody clouds, high shutter speed from cliff edge, intense dramatic force of nature --ar 21:9 --v 6.0

23 Cherry blossom forest in full bloom with pink petals falling like snow, winding stone path through trees, traditional lanterns, soft diffused spring overcast light, eye-level walking perspective, ephemeral romantic beauty --ar 3:2 --v 6.0

24 Desert oasis with crystal clear spring surrounded by palm trees, lush green vegetation contrast, sandy dunes beyond, bright harsh midday sun with deep shadows, aerial top-down view, surprising life in barrenness --ar 4:3 --v 6.0

25 Autumn mountain reflection in crystal lake, vibrant foliage mirror image, canoe tethered to dock, early morning calm with light fog, symmetrical composition from water edge, tranquil mirror-like serenity --ar 16:9 --v 6.0

26 Star trails circling over lone Joshua tree in desert night, Milky Way visible, rocky foreground, long exposure astrophotography, deep blue night with stars, wide angle low ground perspective, timeless cosmic solitude --ar 2:3 --v 6.0

27 Lush rainforest canopy viewed from above with layers of green treetops, river snaking through, toucan flying, bright midday sun with cloud shadows, high drone aerial perspective, vibrant thriving ecosystem --ar 16:9 --v 6.0

28 Frozen waterfall in winter with icicles hanging from cliff, blue ice formations, snow-covered rocks, soft overcast winter light, close-up detail shot with macro texture, silent frozen sculpture --ar 4:5 --v 6.0 --style raw

29 Rolling green hills of countryside with hedgerows and sheep grazing, winding country road, dramatic sky with sun rays breaking clouds, golden hour side lighting, elevated drone perspective, peaceful pastoral England charm --ar 16:9 --v 6.0

30 Bioluminescent beach at night with glowing blue waves washing ashore, dark sky with stars, wet sand reflections, long exposure from low angle, magical surreal glowing ocean wonder --ar 16:9 --v 6.0

31 Sunflower field at sunset with rows of tall sunflowers facing sun, honey bee on bloom, orange sky gradient, warm backlight glow through petals, eye-level shallow depth of field, cheerful summer abundance --ar 3:2 --v 6.0

32 Mossy temperate rainforest with fallen log bridge over creek, ferns and mushrooms growing, gentle stream flow, soft rainy diffused light, low angle near ground perspective, lush green fairy tale woodland --ar 4:3 --v 6.0

33 High desert plateau with dramatic hoodoo rock formations, red orange spires against blue sky, sparse shrubs, harsh midday shadows, wide angle landscape with leading lines, alien southwestern geology --ar 16:9 --v 6.0 --style raw

34 Northern lights reflecting over still fjord water with snow mountains silhouette, small fishing village lights, green purple aurora dancing, clear cold night, wide long exposure from shore, breathtaking arctic night magic --ar 16:9 --v 6.0

35 Tulip fields in Netherlands with colorful stripes of red yellow pink tulips, windmill on horizon, bicycle on path, bright spring daylight, elevated wide view showing patterns, cheerful geometric floral tapestry --ar 16:9 --v 6.0

36 Thunderstorm clouds over prairie with sun rays breaking through, dramatic mammatus formations, lone oak tree on hill, golden rim light after rain, panoramic wide angle, epic dramatic plains sky --ar 21:9 --v 6.0

37 Crystal clear mountain stream cascading over mossy rocks, small waterfalls and pools, autumn leaves floating, dappled sunlight through trees, long exposure silky water effect from tripod, pure fresh mountain wilderness --ar 3:2 --v 6.0

38 Salt flats after rain creating perfect mirror reflection of sky and clouds, person silhouette in distance showing scale, bright white ground with blue sky mirror, symmetrical minimal composition, surreal infinite illusion --ar 16:9 --v 6.0

39 Dense foggy forest road disappearing into white mist, tall pine trees lining both sides, wet asphalt reflecting trees, soft moody overcast light, central vanishing point perspective from road center, mysterious journey into unknown --ar 16:9 --v 6.0 --style raw

40 Coral reef underwater scene with colorful fish and sea turtles, vibrant corals and anemones, sun rays penetrating blue water, clear tropical water, wide angle underwater photography, thriving marine paradise --ar 16:9 --v 6.0

41 Snow-covered pine forest after fresh snowfall, heavy snow on branches, untouched white powder ground, animal tracks, soft overcast winter light, eye-level walking trail perspective, silent peaceful winter wonderland --ar 3:2 --v 6.0

42 Cliff edge overlooking vast Grand Canyon style layered red rock canyon, river far below, erosion patterns, late afternoon shadows enhancing depth, high overlook wide angle, awe-inspiring geological time scale --ar 16:9 --v 6.0

43 Tropical mangrove forest with roots submerged in calm water, kayaker paddling through tunnel, sunlight filtering through canopy, reflections on water, eye-level water perspective, adventurous serene exploration --ar 4:3 --v 6.0

44 Golden hour desert with flowering cactus blooms, saguaro cacti silhouettes, mountains on horizon, warm orange pink sky gradient, low angle with foreground flowers in focus, resilient desert spring beauty --ar 3:2 --v 6.0

45 Misty morning over wetlands with reeds and lily pads, family of ducks swimming, soft sunrise pastel colors reflected in water, gentle fog, eye-level from boardwalk, tranquil birdwatching nature preserve --ar 16:9 --v 6.0

46 Himalayan mountain panorama with prayer flags fluttering in wind, snow peaks above clouds, yak caravan on trail, bright clear high altitude light, ultra wide panoramic mountain vista, spiritual high altitude adventure --ar 21:9 --v 6.0

47 Autumn birch forest with white trunks and yellow leaves, leaf-covered path winding through, morning mist between trees, soft warm backlight, leading line perspective, Scandinavian fall serenity --ar 2:3 --v 6.0

48 Black sand beach with large basalt column cliffs, sea foam swirling on sand, moody overcast sky, powerful waves, low wide angle showing texture contrast, dramatic Icelandic coastal geology --ar 16:9 --v 6.0 --style raw

49 Lush vineyard hills at harvest with rows of grapevines turning autumn colors, winery building on hilltop, morning fog in valleys, warm golden light, elevated aerial drone angle, bountiful wine country landscape --ar 16:9 --v 6.0

50 Rocky mountain summit above clouds with sea of clouds below, lone hiker silhouette on peak, dramatic sunrise orange glow, wind blowing snow, ultra wide high altitude perspective, triumphant epic achievement --ar 16:9 --v 6.0

51 Spring forest with bluebell carpet covering forest floor, ancient oak trees with fresh green leaves, sunbeams through canopy, narrow dirt path, soft morning diffused light, low angle ground level among flowers, enchanting seasonal rebirth --ar 3:2 --v 6.0

52 Arctic iceberg floating in deep blue ocean, underwater visible portion, small boat for scale, clear polar daylight, wide angle from water level, massive hidden scale of ice, pristine climate landscape --ar 16:9 --v 6.0

53 Coconut palm lined dirt road leading to beach at sunset, long shadows on road, ocean horizon glowing orange, tropical warm light, central perspective leading to sea, inviting tropical journey --ar 16:9 --v 6.0

54 Waterfall flowing into turquoise natural pool in jungle, hanging vines around, person swimming for scale, bright tropical daylight filtering through leaves, wide angle from rocks, refreshing hidden swimming hole --ar 4:5 --v 6.0

55 Barren badlands with striped colorful sedimentary hills pink white orange, eroded pinnacles, clear blue sky, harsh midday shadows emphasizing texture, wide landscape showing patterns, otherworldly painted desert --ar 16:9 --v 6.0 --style raw

56 Fog rolling over green hills at dawn with sheep grazing, isolated oak trees, soft layers of mist in valleys, pastel sunrise light, elevated aerial perspective through fog, dreamy ethereal countryside --ar 16:9 --v 6.0

57 Deep forest creek with crystal clear water revealing pebbles below, overhanging ferns and mossy banks, gentle flow, soft overcast forest light, macro close-up of water surface, pure untouched wilderness water --ar 1:1 --v 6.0

58 Sahara desert dunes at blue hour after sunset with crescent moon, starry sky appearing, cool blue tones on sand, wind ripples texture, wide low angle across dunes, serene vast night desert solitude --ar 16:9 --v 6.0

59 Autumn Japanese maple garden with vibrant red orange canopy, koi pond below reflecting colors, stone bridge, soft overcast light enhancing saturation, eye-level garden view, peaceful contemplative fall garden --ar 4:3 --v 6.0

60 Giant sequoia tree trunk close-up with deeply furrowed reddish bark texture, person hugging base showing massive scale, dappled forest light, low angle looking up along trunk, humbling ancient living giant --ar 2:3 --v 6.0

61 Coastal tide pools at low tide revealing starfish and anemones in clear water, barnacle-covered rocks, waves in background, bright midday sun with water clarity, top-down macro perspective, fascinating intertidal marine world --ar 1:1 --v 6.0

62 Snowy mountain village with chalet houses and smoke from chimneys, snow-covered pine trees, alpenglow pink light on peaks, evening blue hour, elevated wide view of village in valley, cozy alpine winter charm --ar 16:9 --v 6.0

63 Tropical waterfall multi-tiered cascading through dense jungle, lush monstera leaves framing view, mist rising from pools, bright diffused daylight, wide angle from opposite cliff, lush powerful jungle water feature --ar 9:16 --v 6.0

64 Desert slot canyon with light beam illuminating dust particles, orange walls glowing, narrow sandy passage, dramatic beam of light from above, upward perspective inside canyon, sacred light cathedral --ar 2:3 --v 6.0

65 Vast cornfield under dramatic storm sky with sun rays piercing clouds, scarecrow in field, green stalks with tassels, moody chiaroscuro lighting, wide angle low among crops, dramatic agricultural heartland --ar 16:9 --v 6.0

66 Icy winter lake with perfect snowflake frost patterns on surface, cracked ice lines, surrounding snow forest, soft winter overcast light, macro top-down detail of ice texture, delicate ephemeral frozen art --ar 1:1 --style raw

67 Hillside covered in pink cherry blossoms with mountain Fuji-style peak in distance, tea fields in foreground, clear spring morning light, elevated panoramic view, iconic spring landscape harmony --ar 16:9 --v 6.0

68 Jungle river at sunrise with mist rising off water, dense tropical trees reflecting, canoe silhouette, warm golden misty light, eye-level water perspective, mysterious awakening of rainforest --ar 16:9 --v 6.0

69 Rocky alpine tarn lake above treeline with turquoise glacial water, wildflowers on shore, rugged peaks behind, bright clear high mountain midday light, wide angle from boulder edge, pristine high altitude wilderness --ar 3:2 --v 6.0

70 Full moon rising over ocean horizon with moon path reflection on water, silhouetted palm trees on beach, twilight blue hour, long exposure smooth water, romantic tropical night magic --ar 16:9 --v 6.0

71 Lush moss-covered waterfall in Pacific Northwest forest, ferns surrounding, multiple cascades, overcast rainy soft light enhancing greens, long exposure silky flow from tripod, vibrant temperate rainforest jewel --ar 2:3 --v 6.0

72 Endless wheat field with lone windmill and dramatic cloudy sky, field swaying in wind, late afternoon golden backlight creating glow on wheat, low angle among stalks looking outward, nostalgic rural Americana --ar 16:9 --v 6.0

73 Palm oasis in desert canyon with waterfall feeding pool, tall fan palms, red rock walls surrounding, bright oasis contrast against arid rocks, wide angle from pool edge, hidden desert sanctuary --ar 4:3 --v 6.0

74 Northern boreal forest in winter with snow-laden spruce trees, frozen river winding through, soft pink twilight alpenglow, smoke from cabin, wide elevated view, silent snowy northern wilderness --ar 16:9 --v 6.0

75 Coastal redwood fog forest with massive trunks disappearing into fog, epiphytes hanging from branches, soft white fog diffusing light, high perspective looking up into mist, primeval mysterious ancient woods --ar 9:16 --v 6.0

76 Terraced tea plantations on misty mountainside with workers picking leaves, baskets on back, layered green hills fading into fog, soft morning light with mist, elevated wide agricultural landscape, serene human nature harmony --ar 16:9 --v 6.0

77 White sandy dunes meeting turquoise sea, wind patterns on sand, clear tropical water gradient, bright sunny midday, high drone aerial showing contrast line, stunning natural border of desert and ocean --ar 16:9 --v 6.0

78 Rocky river rapids with whitewater churning around boulders, pine forest on banks, fast flowing water, overcast soft light, long exposure from riverbank showing motion, wild untamed mountain river --ar 3:2 --v 6.0

79 Autumn aspen grove with white trunks and golden yellow canopy, sun flare through trees, leaf litter on ground, warm backlit golden hour, wide angle within grove looking up, glowing fall forest immersion --ar 2:3 --v 6.0

80 Moonlit desert with Joshua trees silhouette against Milky Way, meteor streak across sky, rocky foreground, long exposure night sky photography, wide angle low perspective, cosmic desert dreamscape --ar 16:9 --v 6.0

81 Tropical rainforest river with overhanging palm fronds creating natural arch, crystal clear water with fish visible, sunlight dappling surface, calm reflections, kayak perspective looking forward through arch, adventurous jungle exploration --ar 16:9 --v 6.0

82 Snowy mountain ridge with wind-blown snow cornice, deep blue sky, climber tracks on ridge, harsh bright alpine midday light with sharp shadows, dramatic high altitude edge perspective, extreme mountain exposure --ar 21:9 --v 6.0

83 Meadow with tall grass and butterflies, rolling hills with oak trees, cumulus clouds in blue sky, bright summer midday sun, shallow depth of field with foreground grass, carefree warm summer prairie --ar 3:2 --v 6.0

84 Hidden beach cove with turquoise water enclosed by limestone cliffs, sea cave entrance, white sand strip, bright sunny midday with shadows from cliffs, aerial drone looking straight down into cove, secret coastal paradise --ar 4:5 --v 6.0

85 Winter forest with hoarfrost coating every branch sparkling in sun, ice crystals glittering, blue sky background, bright low winter sun creating sparkle bokeh, close-up detail of frost, magical crystalline winter wonder --ar 1:1 --v 6.0 --style raw

86 Lava field with new black rock and small green plants sprouting, steam vents, distant volcano smoking, soft overcast light, low wide angle showing rebirth after eruption, resilient life emerging --ar 16:9 --v 6.0

87 Coastal cliffs with lighthouse on edge overlooking stormy sea, waves crashing below, dramatic clouds, sunset backlight with beacon beam, elevated wide shot from adjacent cliff, dramatic maritime guardian --ar 16:9 --v 6.0

88 Sunrise over endless canola field bright yellow flowers stretching to horizon, red barn silhouette, morning mist low over field, warm golden side light, low angle among flowers, vibrant agricultural color field --ar 16:9 --v 6.0

89 Primeval forest with massive fallen tree covered in mushrooms and moss acting as nurse log, seedlings growing from it, soft forest diffused light, macro ground level perspective, cycle of forest life and decay --ar 4:3 --v 6.0

90 Mountain valley filled with low morning fog like white sea, peaks rising above clouds as islands, sunrise pink orange sky, golden light on cloud tops, high summit wide perspective, heavenly above the clouds experience --ar 16:9 --v 6.0

91 Desert bloom after rare rain with carpet of colorful wildflowers among cacti, snow-capped mountains in distance, bright clear spring daylight, wide low angle among flowers with desert background, fleeting super bloom miracle --ar 16:9 --v 6.0

92 Deep blue alpine lake with submerged logs visible through crystal water, surrounding pine forest and cliffs, bright midday sun with water transparency, underwater split shot half above half below, pristine mountain water clarity --ar 3:2 --v 6.0

93 Autumn swamp with cypress trees turning orange red, reflections in still dark water, mist rising, soft morning light filtering through canopy, eye-level kayak view through trees, stunning fall color in wetlands --ar 16:9 --v 6.0

94 Rocky desert arch natural stone bridge at sunset with sun framed through arch, silhouette of hiker underneath, orange glow on rocks, wide angle low perspective through arch, iconic desert landmark sunset --ar 16:9 --v 6.0 --style raw

95 Tropical cloud forest mountaintop covered in mist, moss-covered trees and epiphytes, hummingbird hovering near flower, soft diffused foggy light, eye-level close-up with misty background, mystical high altitude rainforest --ar 4:3 --v 6.0

96 Beach at low tide with perfect reflections of colorful sunset clouds on wet sand, footprints leading to water, gentle waves, golden hour mirror reflection, low wide angle along beach, dreamy reflective shoreline --ar 16:9 --v 6.0

97 Snow-covered frozen forest with river flowing through black water unfrozen, steam rising from water in cold air, snow banks, blue hour twilight with warm cabin light distant, wide angle from riverbank, winter contrast of fire and ice --ar 16:9 --v 6.0

98 Limestone karst mountains rising from emerald rice paddies, water buffalo grazing, misty morning layers, soft diffused light with fog, elevated drone perspective showing dramatic pillars, iconic Southeast Asian landscape --ar 16:9 --v 6.0

99 Giant sand dune with person sandboarding down slope leaving trail, Sahara golden sand patterns, bright sunny day with blue sky, high aerial perspective showing scale and tracks, adventurous desert fun activity --ar 9:16 --v 6.0

100 Starry night over old growth forest with fireflies glowing among trees, Milky Way above canopy, fallen log in foreground, long exposure night forest, wide angle low perspective, magical summer night enchantment --ar 16:9 --v 6.0
