

200+ Ultimate ChatGPT Prompts for YouTube Creators

2026 Production Master Kit • 8 Full Production Modules • 200 Actionable Prompts

MODULE 1: CHANNEL STRATEGY & AUDIENCE RESEARCH (1-8)

001. Viewer Persona Matrix

Strategy

"Act as a YouTube audience strategist. Analyze my niche: [NICHE]. Create 3 detailed viewer personas including pain points, watch habits, and primary content triggers."

002. Content Gap Identifier

Strategy

"Analyze these top 5 competitor video titles: [TITLES]. Identify 3 critical content gaps and unaddressed questions that viewers are searching for."

003. Channel Positioning Statement

Branding

"Craft a unique positioning statement for a YouTube channel in the [NICHE] space targeting [AUDIENCE]. Highlight core value proposition in 2 sentences."

004. Competitor Differentiation Map

Strategy

"Compare my proposed channel concept [CONCEPT] against existing creator [CREATOR NAME]. Outline 4 visual and narrative differentiators to stand out."

005. Audience Retention Barrier Audit

Analytics

"My audience drop-off occurs around minute 2 in [NICHE] videos. List 5 common narrative friction points at this timestamp and how to solve them."

006. Content Pillar Definition

Strategy

"Define 4 core content pillars for a channel focused on [TOPIC]. Ensure balance between search traffic, trending topics, and high-retention stories."

007. Sub-Niche Expansion Predictor

Growth

"My channel currently covers [PRIMARY TOPIC]. Suggest 5 natural sub-niche expansions that won't alienate my existing core subscriber base."

008. Target Audience Demographics Profile

Research

"Generate a comprehensive demographic profile (age, tech literacy, primary platforms, intent) for potential viewers of [TOPIC/GENRE]."

MODULE 1: CHANNEL STRATEGY & AUDIENCE RESEARCH (9-16)

009. Seasonal Trend Mapping

Planning

"Build a 12-month seasonal content calendar for [NICHE], identifying annual search surges and key industry events to cover ahead of time."

010. Viewer Motivation Quiz Builder

Engagement

"Design a 5-question survey prompt to ask my community in order to uncover their biggest technical struggles regarding [TOPIC]."

011. Value Proposition Refiner

Branding

"Refine this draft channel bio: [BIO]. Make it ultra-compelling for first-time viewers, clearly stating what they gain by subscribing."

012. Audience Intent Classifier

SEO

"Classify these 10 search queries: [QUERIES] into Informational, Transactional, or Entertainment intent, and suggest the ideal video format for each."

013. Niche Saturation Checker

Strategy

"Evaluate the current market saturation for [NICHE]. Suggest 3 blue-ocean sub-topics with high audience interest and low competitor density."

014. Creator Voice & Tone Guide

Branding

"Develop a tone-of-voice guide for a channel that wants to sound [e.g., authoritative yet approachable]. List 5 'always use' and 'never use' phrasing rules."

015. Community Loyalty Ladder

Community

"Outline a 4-tier community loyalty strategy to turn passive casual viewers into active subscribers, Discord members, and channel sponsors."

016. Channel Banner Strategy

Design

"Write exact copy and visual placement layout ideas for a YouTube channel header banner promoting [UPLOAD SCHEDULE / VALUE PROP]."

MODULE 1: CHANNEL STRATEGY & AUDIENCE RESEARCH (17-24)

017. Channel Trailer Script Blueprint

Scripting

"Write a 45-second channel trailer script that introduces [CREATOR NAME], states channel purpose, showcases clips, and ends with a strong subscribe CTA."

018. Audience Retention Analysis Framework

Analytics

"Based on these video analytics metrics: [AVD %, CTR %, IMPRESSIONS], outline a step-by-step diagnostic to fix low 30-second retention."

019. Cross-Platform Viewer Funnel

Growth

"Design a content funnel strategy to seamlessly convert short-form viewers on TikTok/Instagram Reels into long-form YouTube subscribers."

020. Competitor Keyword Scraping Plan

SEO

"Identify top recurring themes and tags across these 3 successful channels in [NICHE]: [CHANNEL NAMES]. Suggest 5 thematic counter-videos."

021. Series Franchise Architect

Ideation

"Turn this single video concept '[TOPIC]' into a repeatable 5-part episodic series franchise for long-term viewer retention."

022. Viewer Objection Matrix

Strategy

"What are the top 5 reasons a potential viewer might choose NOT to click on a video about [TOPIC]? Provide script counters for each."

023. Channel Avatar & Aesthetic Prompt

Branding

"Generate 3 visual branding themes (color palette, icon design style, font pairings) for a channel focused on [NICHE/TOPIC]."

024. Long-Term Channel Benchmark Plan

Growth

"Create a realistic 6-month growth roadmap and key milestone metrics for a new channel posting 2 long-form videos per week in [NICHE]."

MODULE 1: CHANNEL STRATEGY & AUDIENCE RESEARCH (25-26) & MODULE 2: HIGH-CTR TITLES (27-32)

025. Niche Pivot Risk Assessment

Strategy

"I am pivoting my channel from [OLD NICHE] to [NEW NICHE]. Outline a 4-video transition strategy that retains existing active subscribers."

026. Micro-Community Target Profiling

Research

"Identify 3 highly engaged sub-communities or Reddit forums interested in [TOPIC] and list the exact pain points they discuss daily."

027. Curiosity Gap Title Generator

Titles

"Generate 10 video titles for [TOPIC] using powerful curiosity gaps without revealing the main answer in the title line itself."

028. Negative Constraint Title Framework

Titles

"Write 8 titles for [TOPIC] using negative framing (e.g., 'Why You Should Never...', 'Stop Doing This...'). Ensure high emotional urgency."

029. Beginners vs. Experts Title Split

Titles

"Create 5 title variations tailored specifically for complete beginners and 5 title variations tailored for advanced experts on [TOPIC]."

030. Case Study & Story Title Patterns

Titles

"Draft 8 narrative case-study titles (e.g., 'How X Did Y in Z Days') for a video featuring [TRANSFORMATION / EXPERIMENT RESULT]."

031. High-Stakes Financial/Time Risk Titles

Titles

"Generate 6 high-stakes titles focusing on lost time, wasted money, or critical mistakes creators/viewers make regarding [TOPIC]."

032. Numbered Listicle Title Optimizer

Titles

"Transform this weak title 'Tips for [TOPIC]' into 7 high-performing numbered titles leveraging odd numbers and power adjectives."

MODULE 2: VIRAL TITLES, PACKAGING & THUMBNAILS (33-40)

033. Direct Comparison Title Generator

Titles

"Write 6 VS-style comparison titles between [PRODUCT/METHOD A] and [PRODUCT/METHOD B] that create instant debate in the comments."

034. Question-Based Title Refiner

Titles

"Give me 8 provocative question titles about [TOPIC] that force the viewer to click to confirm or challenge their current beliefs."

035. Thumbnail Visual Concept Generator

Thumbnails

"For the title '[INSERT TITLE]', describe 3 visual thumbnail layouts including facial expressions, primary focal objects, and lighting."

036. Short Overlay Text Crafter

Thumbnails

"Provide 10 punchy 1-to-3 word thumbnail text overlay options for a video titled '[TITLE]'. Text must complement, not repeat, the title."

037. Thumbnail Color Palette Selector

Thumbnails

"Recommend 3 high-contrast 2-color palette combinations designed to stand out against YouTube dark mode for a video on [TOPIC]."

038. Before/After Thumbnail Designer

Thumbnails

"Describe a split-screen Before vs After thumbnail graphic concept for a video documenting [TRANSFORMATION / EXPERIMENT]."

039. A/B Testing Title Pair Generator

Packaging

"Generate 3 pairs of A/B test titles for the same video on [TOPIC]: Option A focusing on curiosity, Option B focusing on direct benefit."

040. Minimalist Thumbnail Storyboard

Thumbnails

"Design a minimalist thumbnail concept using only 1 central subject and 1 focal prop for a video about [COMPLEX CONCEPT]."

MODULE 2: VIRAL TITLES, PACKAGING & THUMBNAILS (41-48)

041. Emotion-Driven Title Modifier

Titles

"Rewrite these 5 plain titles: [TITLES] to evoke strong emotional reactions (excitement, urgency, fear of missing out, or awe)."

042. Title Character Length Optimizer

Titles

"Shorten these 5 long titles: [TITLES] under 50 characters while keeping all high-CTR keywords visible on mobile screens."

043. Extreme Challenge Title Generator

Titles

"Write 6 challenge-style titles (e.g., 'I Tested X for 30 Days', 'Surviving Y on \$0') adapted for a channel in [NICHE]."

044. Clickbait Verification & Ethics Check

Packaging

"Review this title '[TITLE]' and script concept '[SUMMARY]'. Ensure the title delivers on its promise without disappointing viewers."

045. Icon & Symbol Thumbnail Cues

Thumbnails

"Suggest 5 recognizable real-world icons or graphics to include in a thumbnail for [TOPIC] to instantly signal subject matter."

046. Unboxing & Product Title Framework

Titles

"Generate 7 title variations for reviewing [PRODUCT NAME], ranging from 'Don't Buy This Until...' to 'The Ultimate Benchmark'."

047. Expression & Pose Prompt for Creators

Thumbnails

"Provide 4 facial expression photoshoots prompts (shock, skepticism, intense focus, relief) tailored for a thumbnail on [TOPIC]."

048. Title & Thumbnail Harmony Audit

Packaging

"Evaluate this Title '[TITLE]' and Thumbnail description '[DESCRIPTION]'. Ensure they form a 2-part story that compels a click."

MODULE 2: VIRAL TITLES & PACKAGING (49-50) & MODULE 3: LONG-FORM SCRIPTS (51-56)

049. Evergreen Search Title Crafter

Titles

"Generate 8 search-friendly tutorial titles for [TOPIC] that will rank consistently on YouTube search over the next 3 years."

050. Trending Meme & Culture Title Converter

Titles

"Adapt this popular online meme/trend format '[MEME FORMAT]' into 5 relevant video titles for a [NICHE] YouTube channel."

051. 15-Second Cold Open Hook Crafter

Hook

"Write 3 distinct 15-second cold open hooks for a video titled '[TITLE]'. Focus on immediate visual and verbal stakes."

052. Narrative Arc Storytelling Outline

Scripting

"Structure a 12-minute storytelling script on [TOPIC] using the Hero's Journey framework (Inciting Incident, Climax, Resolution)."

053. Pattern Interrupt Insertion Plan

Retention

"Here is a script segment: [PASTE TEXT]. Insert 4 pattern interrupt suggestions (B-roll, sound effects, visual zoom, graph) to maintain retention."

054. Educational Analogy Builder

Scripting

"Explain [COMPLEX TOPIC] in simple terms using 3 everyday analogies that any viewer can immediately grasp without technical background."

055. Mid-Video Re-Engagement Hook

Retention

"Write a 20-second retention reset script to place at the 5-minute mark of a video on [TOPIC] teasing an upcoming major reveal."

056. Seamless End-Screen CTA Script

CTA

"Draft a 15-second end-screen CTA script that pitches the viewer to watch '[NEXT VIDEO TITLE]' as the logical next step."

MODULE 3: LONG-FORM SCRIPTING & STORYTELLING (57-64)

057. Talking Head Script Polish

Scripting

"Rewrite this draft script section [INSERT TEXT] to sound more conversational, natural, and engaging when spoken out loud."

058. B-Roll Prompt Generator

Production

"For this script section: [PASTE SCRIPT], generate a detailed 2-column list of recommended B-roll footage and visual assets to record."

059. Step-by-Step Tutorial Framework

Scripting

"Create an actionable 5-step tutorial script outline for [TOPIC]. Ensure clear transition phrases between each sequential step."

060. Debate & Two-Sided Argument Script

Scripting

"Write a script presenting both Pros and Cons of [TOPIC/PRODUCT], remaining objective while encouraging audience debate in comments."

061. Video Intro Payoff Script

Retention

"Draft a 30-second intro for [TOPIC] that validates the thumbnail promise immediately within the first 3 sentences."

062. Open Loop Storytelling Teaser

Storytelling

"Write an open-loop teaser for the start of a video about [TOPIC] that plants a mystery to be resolved only in the conclusion."

063. Expert Interview Question Prep

Interview

"I am interviewing [EXPERT NAME] about [TOPIC]. Generate 10 insightful, non-generic interview questions that elicit powerful stories."

064. Script Pacing & Word Count Trim

Editing

"Trim 20% of words from this script segment: [PASTE TEXT] without losing core value, increasing spoken delivery speed."

MODULE 3: LONG-FORM SCRIPTING & STORYTELLING (65-72)

065. Documentary-Style Voiceover Script

Voiceover

"Write a cinematic, documentary-style voiceover script exploring the history and impact of [HISTORICAL/TECH EVENT]."

066. Interactive Viewer Prompt Script

Engagement

"Insert 3 organic call-to-comments questions into this script draft: [PASTE TEXT] that feel natural and boost engagement."

067. Mistake Breakdown Scripting

Scripting

"Outline a video script titled '5 Mistakes Everyone Makes With [TOPIC]'. For each mistake, detail the Problem, Cause, and Fix."

068. Storytelling Cliffhanger Transition

Storytelling

"Write 3 cliffhanger transition sentences to bridge Section 2 and Section 3 of a video script on [TOPIC] to prevent drop-off."

069. Product Unboxing Script Outline

Review

"Structure a full product review script for [PRODUCT] covering: First Impressions, Build Quality, Real Tests, Verdict, Value Score."

070. On-Screen Graphics Text Prompts

Production

"Extract key takeaways from this script [PASTE TEXT] and write 5 clean on-screen text bullet callouts for video editing."

071. Humorous Script Accent Injector

Tone

"Inject light self-deprecating humor and witty commentary into this tutorial section: [PASTE TEXT] without diluting core advice."

072. High-Energy Motivational Conclusion

Scripting

"Write an inspiring 45-second concluding monologue for a video on [GOAL/ACHIEVEMENT] that leaves viewers feeling empowered."

MODULE 3: LONG-FORM SCRIPTING (73-75) & MODULE 4: SHORTS & VERTICAL VIDEO (76-80)

073. Live Stream Scripted Run-of-Show

Live

"Create a 60-minute live stream schedule for [TOPIC] including intro chat, core presentation, Q&A segments, and sponsor slots."

074. Complex Code/Tech Script Explainer

Tech

"Write a step-by-step video script explaining how to use [SOFTWARE/CODE], giving exact visual prompts for screen recording visuals."

075. Script Tone Consistency Audit

Editing

"Audit this complete script draft: [PASTE SCRIPT]. Highlight any sections where the voice shifts from professional to overly casual."

076. 30-Second YouTube Short Script

Shorts

"Write a fast-paced 30-second YouTube Short script about [TOPIC] with visual cues for text pop-ups every 3 seconds."

077. Seamless Looping Shorts Hook

Shorts

"Draft a 45-second Short script where the final sentence seamlessly connects grammatically back to the first line for infinite looping."

078. Long-Form to 3 Shorts Extractor

Repurposing

"Extract 3 standalone 60-second Short scripts from this long-form script section: [PASTE LONG-FORM SCRIPT]."

079. Viral Short Visual Gag Concept

Shorts

"Brainstorm 4 visual storytelling ideas or physical props to use in the first 2 seconds of a Short about [TOPIC] to stop scrolling."

080. Quick Tip Listicle Short Script

Shorts

"Write a '3 Instant Hacks for [TOPIC]' Shorts script that fits within 50 seconds, maintaining high energy throughout."

MODULE 4: YOUTUBE SHORTS & VERTICAL VIDEO (81-88)

081. Shorts Title & On-Screen Caption Pair

Shorts

"Generate 5 YouTube Shorts titles and matching main on-screen text overlays for a Short covering [TOPIC]."

082. Reaction/Commentary Short Script

Shorts

"Write a 40-second commentary Short script reacting to [TRENDING EVENT], balancing humor with unique insights."

083. Myth-Busting Short Script Framework

Shorts

"Draft a 30-second Short busting the biggest myth in [NICHE]. Format: Myth Statement -> Shocking Reality -> Quick Proof."

084. Product Spotlight Short Script

Shorts

"Write a 15-second hyper-focused Short script reviewing [PRODUCT], highlighting its 1 best feature in under 40 words."

085. Trending Sound Adaptation Script

Shorts

"How can I adapt this viral audio trend '[AUDIO CONCEPT]' to fit a channel focused on [NICHE]? Give script and visual actions."

086. High-CTR Shorts Thumbnail Frame

Shorts

"Identify the exact 1-second visual frame to set as a thumbnail custom frame for a Short about [TOPIC]."

087. Story-in-30-Seconds Scripting

Shorts

"Tell the story of how [EVENT/PERSON] achieved [RESULT] in a tight 30-second script built for maximum re-watchability."

088. Controversy Debate Short Hook

Shorts

"Write 4 bold, controversial opinion statements related to [TOPIC] designed to trigger high comment section activity on Shorts."

MODULE 4: YOUTUBE SHORTS & VERTICAL VIDEO (89-96)

089. Shorts Call-to-Subscribe Script

Shorts

"Write 3 quick, non-intrusive 3-second end prompts for a Short asking viewers to subscribe for daily tips on [TOPIC]."

090. Split-Screen Short Concept Generator

Shorts

"Suggest a split-screen video layout concept comparing [OPTION A] top vs [OPTION B] bottom for a Short on [TOPIC]."

091. Interactive Poll Short Script

Shorts

"Draft a Short script that poses a choice to viewers: 'Would you pick A or B?' and directs them to vote in the comments."

092. Fast ASMR / Visual Short Blueprint

Shorts

"Design a visual-first Short script rely mostly on satisfying audio/visual cues for showing [PROCESS/WORKFLOW]."

093. Industry News Speedrun Short

Shorts

"Summarize these 3 news headlines: [HEADLINES] into a 45-second 'Weekly News Speedrun' script for [NICHE]."

094. Before/After Short Sequence

Shorts

"Write a script for a 20-second transformation Short showcasing [BEFORE STATE] moving rapidly to [AFTER STATE]."

095. Micro-Tutorial Short Outline

Shorts

"Create a 3-step micro-tutorial for [SOFTWARE ACTION] formatted specifically for vertical phone screens."

096. Text-On-Screen Carousel Short

Shorts

"Write 5 sequential on-screen text slides for a silent-friendly Short explaining [TOPIC] with background music cues."

MODULE 4: VERTICAL VIDEO (97-100) & MODULE 5: SEO, DESCRIPTIONS & METADATA (101-104)

097. Shorts Series Naming Generator

Shorts

"Brainstorm 6 catchy series titles for a daily YouTube Shorts franchise focused on quick [NICHE] tips."

098. Sound Effect Cue Sheet for Shorts

Shorts

"For this 30-second Short script: [SCRIPT], list 5 specific sound effect placements (whoosh, pop, ding) to elevate pacing."

099. High-Retention Voice Over Pacing

Shorts

"Rewrite this text [PASTE TEXT] to be read comfortably at 160 words per minute for a punchy voiceover."

100. Long-Form Teaser Short Script

Shorts

"Write a 30-second Short script that highlights the most exciting moment from [LONG VIDEO] and directs viewers to the full link."

101. Keyword-Rich Video Description

SEO

"Write a 200-word YouTube description for a video about [TOPIC]. Naturally integrate target keywords: [KEYWORDS]."

102. Automatic Video Timestamp Generator

SEO

"Based on this video script/outline: [PASTE OUTLINE], generate formatted YouTube video chapter timestamps with descriptive labels."

103. YouTube Search Tag Generator

SEO

"Generate 20 high-volume, long-tail tag combinations for a YouTube video covering [TOPIC] in [NICHE]."

104. Related Video Link Copywriter

SEO

"Write 3 compelling call-to-action lines for the video description encouraging clicks to related playlist: [PLAYLIST URL/NAME]."

MODULE 5: YOUTUBE SEO, DESCRIPTIONS & METADATA (105-112)

105. Hashtag Optimizer

SEO

"Provide 3 broad, 3 niche, and 2 trending hashtags for a video on [TOPIC] for optimal discovery."

106. Video File & Asset Naming Plan

SEO

"Generate SEO-optimized file naming conventions for my raw video files, thumbnail images, and audio tracks for [TOPIC]."

107. Pinned Comment Draft Crafter

Engagement

"Write 3 variations of a pinned comment for '[TITLE]' designed to start a community debate and drive link clicks."

108. Playlist Title & Description Writer

SEO

"Create an SEO-optimized Playlist Title and 150-word Description for a collection of videos covering [TOPIC AREA]."

109. Translation & Localization Metadata

SEO

"Translate and culturally adapt this video title '[TITLE]' and description snippet for Spanish and German markets."

110. Default Description Template Builder

SEO

"Design a master channel upload default description template incorporating gear links, social profiles, disclaimers, and chapters."

111. High-CTR Card & End Screen Mapping

Metadata

"Based on this script: [SCRIPT], suggest exact timestamp positions to trigger Info Cards linking to related videos."

112. Search Intent Keyword Categorizer

SEO

"Group these 15 search terms: [KEYWORDS] into primary, secondary, and LSI keyword buckets for metadata insertion."

MODULE 5: YOUTUBE SEO, DESCRIPTIONS & METADATA (113-120)

113. Closed Caption Transcript Cleanup

SEO

"Clean up punctuation, grammar, and speaker labels in this raw auto-generated transcript: [TRANSCRIPT]."

114. Video Category & License Selector

"Given my video content about [TOPIC], recommend the best YouTube Category choice and clarify Standard vs Creative Commons."

115. Multi-Language Subtitle Prompt

SEO

"Format this script segment [TEXT] into clean SubRip (.SRT) subtitle file format with proper timecode placeholders."

116. Competitor Metadata Audit

SEO

"Analyze the title, tags, and description of this ranking video: [DATA]. Highlight why it is ranking in search."

117. Evergreen Search Refresh Prompt

SEO

"Update this 2-year-old video description [PASTE OLD DESCRIPTION] with modern 2026 keywords and fresh call-to-actions."

118. Search vs Suggested Title Adaptor

SEO

"Take this Search-focused title '[TITLE]' and adapt it into a Browse/Suggested-focused title that appeals to broader audiences."

119. Metadata Compliance Check

Policy

"Review this proposed title and description: [TEXT]. Ensure compliance with YouTube community guidelines regarding misleading metadata."

120. Video Synopsis for PR & Blogs

Repurposing

"Summarize my video '[TITLE]' into a 100-word press release/blog summary for embedding on external websites."

MODULE 5: METADATA (121-125) & MODULE 6: MONETIZATION & SPONSORSHIPS (126-128)

121. Timed Info Card Hook Copy

Metadata

"Write 3 teaser phrases to display on YouTube Info Cards appearing at minute 4:00 to encourage playlist viewing."

122. Podcast Episode Metadata Generator

SEO

"Convert this long video transcript into episode notes, key takeaways, and timestamps for YouTube Podcasts."

123. Metadata Optimization Workflow Checklist

SEO

"Generate a pre-publish 10-point YouTube SEO checklist covering title, tags, description, captions, and links."

124. Search Volume Keyword Rank Predictor

SEO

"Compare these search terms: [TERM A, TERM B]. Rank them by audience intent and suggest top placement in description."

125. Rich Snippet Description Optimizer

SEO

"Format the first 3 lines of this description [TEXT] so key links and value propositions show above the 'Show More' cut."

126. Cold Sponsor Email Pitch

Sponsorship

"Write a concise 150-word brand outreach email pitching a 60-second video integration to [BRAND NAME] for [NICHE] channel."

127. Sponsor Integration Script Generator

Sponsorship

"Draft a smooth 60-second mid-roll sponsor script for [PRODUCT] transitioning naturally from a video topic on [TOPIC]."

128. Media Kit Bio & Stats Copywriter

Monetization

"Write brand-facing copy for my media kit outlining channel niche, monthly views, audience demographics, and past success stories."

MODULE 6: SPONSORSHIPS & MONETIZATION (129-136)

129. Affiliate Product Pitch Script

Affiliate

"Write a 20-second organic affiliate callout script for [TOOL/EQUIPMENT] mentioning personal results and exclusive discount code."

130. Digital Product Lead Magnet Script

Products

"Draft an end-of-video pitch encouraging viewers to download a free PDF guide on [TOPIC] by clicking the description link."

131. Channel Membership Tier Perks Strategy

Memberships

"Design 3 channel membership pricing tiers (Tier 1, Tier 2, Tier 3) with exclusive perks tailored for a [NICHE] community."

132. Rate Card Negotiation Email Response

Sponsorship

"Write a professional email response negotiating a higher sponsorship rate with a brand offering lower than standard CPM."

133. Dedicated Review Video Pitch

Sponsorship

"Draft a proposal email offering a brand a fully dedicated 10-minute review video for their newly launched product [PRODUCT]."

134. Patreon Community Pitch Script

Monetization

"Write a 30-second video segment inviting fans to support the channel on Patreon, explaining how funding improves content quality."

135. Merchandise Launch Announcement

Merch

"Write a fun, engaging 45-second script segment announcing a limited-edition merch drop for my channel audience."

136. Course / Masterclass Pitch Script

Products

"Create a high-converting 60-second mid-roll pitch for an upcoming online course teaching [SKILL/TOPIC]."

MODULE 6: SPONSORSHIPS & MONETIZATION (137-144)

137. Post-Campaign Sponsor Report Summary

Sponsorship

"Generate an executive campaign summary template to send to sponsors detailing video views, CTR, and affiliate sales achieved."

138. Super Thanks / Live Chat Shoutout Script

Engagement

"Draft 5 genuine, enthusiastic verbal shoutout responses to thank viewers for sending Super Thanks or Super Chats during streams."

Distribution

"Adapt this tutorial video transcript into an informative long-form Facebook post for industry discussion groups."

171. Medium Article Syndication Copy

Repurposing

"Re-format this video script into an engaging editorial story suitable for publication on Medium."

172. Pinterest Video Pin Title & Description

Social

"Write 3 Pinterest Pin titles and descriptions with search keywords targeting DIY/tutorial searches for [TOPIC]."

173. Live Stream Replay Promotion Post

Community

"Draft a post inviting viewers who missed the live stream on [TOPIC] to watch the re-stream chapters and highlights."

174. Content Syndication Pitch Email

Distribution

"Write an email asking an online publication if they would like to embed my video tutorial in their upcoming article."

175. Multi-Platform Post Schedule Plan

Planning

"Create a 7-day social media post schedule to distribute 1 core long-form YouTube video across 4 platforms."

176. YouTube Studio Analytics Diagnostic

Analytics

"Here are my channel metrics: CTR 4.2%, AVD 38%, Impressions 50k. Diagnose key weaknesses and 3 immediate optimization steps."

MODULE 8: ANALYTICS, PRODUCTION AI & WORKFLOW AUTOMATION (177-184)

177. AVD Drop-Off Diagnostic Tool

Analytics

"My audience drop-off occurs sharply at 1:30. Analyze this section of script [TEXT] and explain why engagement plummeted."

178. Weekly Video Production SOP Generator

Workflow

"Build a step-by-step Standard Operating Procedure (SOP) checklist for producing 1 long-form video per week."

179. Video Editor Brief Generator

Production

"Write a concise editing directive for my video editor specifying cuts, motion graphics style, and sound design for [SCRIPT]."

180. Thumbnail A/B Test Results Evaluator

Analytics

"Thumbnail A achieved 5.1% CTR, Thumbnail B achieved 7.4% CTR. Analyze visual differences [DESCRIBE] to refine future designs."

181. AI Voiceover Prompt Optimizer

AI Tools

"Format this script text with pronunciation spellings and pause markers [pause 0.5s] for text-to-speech AI rendering."

182. Midjourney Thumbnail Prompt Crafter

AI Tools

"Generate 3 detailed text prompts for AI image generation to create high-detail thumbnail backgrounds for [TOPIC]."

183. Content Batching Schedule Calculator

Workflow

"Design a 1-day script-batching workflow plan to outline and write 4 complete video scripts in 8 hours."

184. Video Production Budget Estimator

Workflow

"Outline estimated production costs (editor, thumbnail designer, stock assets, AI software) for 4 monthly videos."

MODULE 8: ANALYTICS, PRODUCTION AI & WORKFLOW AUTOMATION (185-192)

185. Channel Audit Audit Sheet

Analytics

"Perform a 10-point scorecard review of my channel layout, recent titles, and average video length for [NICHE]."

186. Stock Footage Keyword Finder

Production

"Generate a list of 15 specific stock footage search queries to visually illustrate abstract concepts in [SCRIPT]."

187. Channel Revamp Action Plan

Strategy

"Outline a 30-day channel reboot plan for an inactive channel with 5,000 subscribers returning to active uploads."

188. Teleprompter Script Formatter

Production

"Format this script [TEXT] into short 4-word teleprompter lines with capitalizations for emphasis while speaking."

189. Virtual Assistant Delegation Guide

Workflow

"Create a task delegation guide for a Virtual Assistant managing YouTube uploads, thumbnail uploads, and comment moderation."

190. Video Content Archiving Protocol

Workflow

"Develop a folder organization and backup protocol for archiving final video projects, project files, and raw footage."

191. Sound Design Mood Selector

Production

"Recommend background music genres and tempo changes for key narrative shifts in a video about [TOPIC]."

192. Traffic Source Ratio Analysis

Analytics

"My traffic is 70% YouTube Search and 10% Browse Features. Outline an action plan to increase Browse recommendations."

MODULE 8: ANALYTICS, PRODUCTION AI & WORKFLOW AUTOMATION (193-200)

193. Post-Upload 48-Hour Checklist

Workflow

"Provide a 48-hour post-upload checklist covering pinned comments, community post cross-promotions, and metric tracking."

194. Copyright & Fair Use Evaluator

Legal

"Evaluate this usage of 10-second media clips [DESCRIBE USE] against YouTube's Fair Use policies and monetization risks."

195. Studio Lighting & Framing Guide

Production

"Provide a 3-point lighting setup and framing guide for filming talking-head videos in a small home office room."

196. Burnout Prevention Production Schedule

Workflow

"Design a sustainable fortnightly creation schedule incorporating rest days and creative buffer periods for solo creators."

197. Audience Sentiment Comment Analyzer

Analytics

"Analyze these 20 viewer comments: [PASTE COMMENTS]. Categorize viewer sentiment into Positive, Constructive, or Requests."

198. Channel Annual Performance Review

Analytics

"Structure an annual channel review framework to measure subscriber growth, RPM efficiency, top videos, and next year's goals."

199. Multi-Channel Management System

Workflow

"Create a centralized workflow management system for operating a primary channel and a secondary Shorts channel simultaneously."

200. Master AI Prompt Mastermind Blueprint

AI Tools

"Write a meta-prompt that trains ChatGPT to act as my full-time 24/7 YouTube Producer, Script Supervisor, and SEO Consultant."

Note: Results vary by tool version, specific AI model parameters, system instructions, and individual workflow settings.
